A Publication of Central Oklahoma Classic Chevy Club May 2025

## President's Message

In view the recent loss of two members, I feel no topic is appropriate other than to suggest we remember the friendships and good times we had with Rodney Duerkson and VW Roberts. Our interactions with them through our club activities allowed us to share common hobbies and enjoyment beyond the experiences we have with neighbors and coworkers. We should cherish the past and build strong relationships and friendships in club functions.
