A PUBLICATION OF CENTRAL OKLAHOMA CLASSIC CHEVY CLUB NOVEMBER 2026

PRESIDENT'S CORNER

NEXT MEETING: NOVEMBER 8TH, 2026

Welcome to the COCCC Dashboard.

Hello Everyone,

Big Thank-you to everyone who was able to and who took the time to join us this year on the Fall Foliage trip to Miami, Ok.

I enjoyed meeting all of those from the other clubs who came out to join us.

An even extra bigger THANK-YOU to all the members that worked so hard to help plan and organize this event. You are the ones that truly made this trip happen. It was definitely an eye opener for me.

If you have never actually planned anything like this, it is hard to understand everything that must happen and needs to be considered to pull one of these trips off.

My hat's off to all the members who have done this in the past and to those who will do it in the future.

I also want to acknowledge Rudy for stepping in and acting as our "road blocker" to help get cars through intersections and keep us gathered up as best we could.

Highlights from the Fall Foliage Trip:

Based on the comments and feedback, the biggest highlight of the trip was the Coleman Theater. Hearing about how it came to be, the history of the family that made it happen was all very fascinating.

The story of the "Lady of the Lamp" was quite entertaining. The Tradition: During the theater's early days as a vaudeville and movie palace in the 1930's, ushers would traditionally pat the statue on her back side (rub her rear) for good luck on their way down to formal inspection. Back in those days if you did not pass inspection for that day's work, you would be sent home without pay.

Random Pictures from the Trip Submitted by several members: Thank-you to everyone who shared pictures of the trip. If anyone has any pictures they too would like to share, please email them to me at: gporter4@cox.net.
